

Ca' Foscari University of Venice “Research Communication Week”

“Train the Scientist!”

Keynote Speaker

Brian Trench is a science communication researcher and trainer, and a former lecturer (Dublin City University) and journalist. Author of many papers and book chapters on various aspects of science communication; co-ordinator and participant in international research projects; presenter of talks and workshops in over 20 countries. Co-editor of *Routledge Handbook of Public Communication of Science and Technology* (2008, 2014, 2020), of *The Public Communication of Science* (4-volume anthology in series, *Critical Concepts in Sociology*, 2016), and of *Little Country, Big Talk - science communication in Ireland* (2017). Member of the PCST Scientific Committee for 15 years and president of the network since 2014.
