ART. 1 – Introduction

1. Erasmus+ is the European Union's programme to support education, training, youth and sport in Europe, through which students have the opportunity to spend a period of study in another university, in a different country, and to have the credits achieved recognised in their academic career.
2. Venice International University is an association of 20 member universities and institutions from around the world, with a common campus on San Servolo Island in Venice. VIU was founded in 1995 with the purpose of developing joint academic, research and capacity-building programs, across disciplines, continents, languages and cultures. It has since become the ideal setting for experimenting innovative approaches to education and training, where students, researchers and professors come together to exchange knowledge and ideas while exploring interdisciplinary and transdisciplinary perspectives in their studies and research.
3. The following universities together with Venice International University constitute an accredited Erasmus+ Mobility Consortium:
-Università Ca' Foscari Venezia

- Università luav di Venezia
- Università degli Studi di Padova
- Università degli Studi di Roma “Tor Vergata”
- Università degli Studi di Milano-Bicocca

4. The following universities are the destinations for this call and are also member universities of VIU:

- KU Leuven in Belgium;
- Ludwig Maximilians Universität in Germany;
- Université de Bordeaux in France;

Mobilities to universities other than those listed are not permitted.

ART. 2 – Who can take part

Candidates may be full professor, associate professor, short-term contract professor, researcher, research fellow, and must be in employment at the member university at time of application and during the proposed period of staff mobility for teaching.

ART. 3 – Destinations

VIU member universities in KA131 programme countries:

ART. 4 – Duration

In consideration of the funding available, the maximum duration that will be financed is 14 days.

Travel days are not included in the calculation of the minimum duration.

Staff must deliver **at a minimum of 8 teaching hours for mobilities of 2-7 days**. If the mobility is longer than one week, the minimum number of teaching hours shall be proportional to the duration of the mobility.

Staff may request a combined mobility, with both teaching and training activities. If training is included the minimum teaching hours can be reduced to 4 hours per week.

All mobilities must be completed by July 31, 2024

ART. 4 – Funding | Individual Support & Travel

Erasmus+ provides funding for staff mobility as a grant contribution towards subsistence and travel. Expense claims must be submitted within 2 weeks of the completion of the mobility.

Travel

Maximum Travel Grants are set by the European Commission.

The Erasmus+ Programme has introduced a “Green Travel” supplement to encourage mobility participants to choose sustainable modes of transport to their destination, such as travelling by bus, train, or car-pooling.

According to the distance travelled the following rates contributions apply:

Distance from home university to host university	Maximum amounts reimbursed	Green Travel
10-99 Km	€ 23,00	
100-499 km	€ 180,00	€ 210,00
500-1999 km	€ 275,00	€ 320,00

4000–7999 km	€ 820,00	
8000 km or more	€ 1.500,00	

To calculate the distance the [European Commission's online tool](#) must be used.

The distance to be calculated is one way – from the location of the sending organisation to that of the receiving organisation. However, please note that the grant amount covers the outward and return journey from home to host institution.
