- The funded Erasmus+ project provides for one outgoing mobility for studies for a maximum period of 30 days.
- The selection committee determines to award the Erasmus+ grant to S.F., born 11/11/1991.
- Further grants will be assigned based on the availability of residual project funds following periodic project reviews.
- Where candidates are of equal merit, alternation between the member universities will be favoured.
- If candidates of equal merit are of the same university, priority will be given to the younger candidate.

2. Staff Mobility for Teaching

Initials	Date of Birth	Quality of the Mobility Plan:	Previous participation in VIU academic activities:	Incentive for new mobility participants:	Max Points
